PETITION UNDER 37 C.F.R. 1.182
FOR EXPUNGEMENT OF ASSIGNMENT RECORDS

Dear Sir:

Applicant hereby petitions the Commissioner to expunge, from the assignment records, the Assignment of the above-captioned application recorded at Reel/Frame 007933/0196 on May 10, 1996 ("Assignment #1").

Applicant submits that the presence of this Assignment #1 in the USPTO's assignment database creates the erroneous impression that Assignment #1 effected an assignment from Mr. Squibb to Hewlett-Packard Company. The Assignment #1 itself identifies DeltaTech Research, Inc. as the assignee, but the Recordation Cover Sheet erroneously noted Hewlett-Packard Company as the receiving party. The subsequent Assignment, recorded at Reel/Frame 008132/0725 ("Assignment #2), sought to correct this error (see Reel/Frame 008132/0726), but the Recordation Cover Sheet failed to note the "Nature of Conveyance" as a "Corrective Document" (instead identifying it as an "Assignment").

Applicant submits that in view of the foregoing, there is good cause to expunge Assignment #1 with respect to the above-captioned application. Applicant states that the integrity of the assignment records will not be affected by the granting of this Petition.
